**Subject: Request for Qualifications – Addendum 1
Kannapolis Lake Dam Spillway Replacement Project
Kannapolis, North Carolina**

This Addendum forms a part of the Request for Qualifications (RFQ) and modifies the original RFQ Documents dated February 20, 2025, as noted below. All Addenda so issued shall become part of the Application and must be signed by the Applicant and returned to the Owner with the Application.

This Addendum consists of a modification to the Request for Qualifications Documents and clarifications based on questions received by potential applicants.

CHANGES TO RFQ DOCUMENTS:

The due date for requests for clarifications (RFCs) is changed from Friday, February 28, 2025, to Thursday, March 6, 2025. The dates for subsequent items in the Prequalification Schedule (e.g. Responses to RFCs Issued and Due Date for Applications) remain unchanged.

CLARIFICATIONS BASED ON REQUESTS FOR CLARIFICATION RECEIVED:

1. **Question:** Attachment 6 Section E requests the following information: Describe one or more projects involving a dam impounding a water supply reservoir. Include contact information from owner or engineer. Are you looking for a project where the water was lowered in an existing reservoir while the dam was rehabilitated, or a project where a new reservoir was created?

Response: This item is requesting example projects where an existing dam that impounds a reservoir that is used for municipal water supply was rehabilitated or repaired.
