Commercial Garbage & Recycling Service

The City of Kannapolis offers weekly commercial garbage and recycling to area businesses. Business owners can choose the City as their commercial provider for these services. The City offers competitive rates – based on the number of carts or size of dumpster needed. City staff will work with your business to help determine exactly what you need to operate more cost effectively and environmentally friendly.

If your business is interested in this service, please go to kannapolisnc.gov for more information. If you have any questions about enrollment please contact the City of Kannapolis Public Works Department at 704-920-4444.

Simply visit kannapolisnc.gov and complete the online application.

Based on your answers, the City will:

- Calculate your cart service fee & deliver your carts, OR
- Contact you to determine what size container will best meet your needs & then calculate your container service fee

All garbage and recycling containers are the property of the City of Kannapolis.
