**T**he City has a series of loops located downtown and at each of the Kannapolis City Schools. You are welcome to walk these loops and earn prizes for each mile. Route distances are designated by different colors. Signage and sidewalk markers aid you as you complete the loops. You can also print a map to help you orient your way around the loops. Your dog is also welcome to participate and earn prizes.

You do not have to walk the downtown or school loops to qualify. Walk anywhere in the City.

The goal is for you to complete 150 miles annually. At the end of each quarter, you are eligible to earn prizes. Information on all routes and registration for prizes [kannapolisnc.gov/loophelooop](http://kannapolisnc.gov/loophelooop).

**G**reenways are an important part of the park and recreation system in Kannapolis. The City has five greenways: **Bakers Creek, 8th Street, Rocky River, Safrit and Irish Buffalo Creek Greenways.** All are open to the public for walking, running, biking and more. As part of the City's emphasis to *Discover a Healthy Life*, we encourage you to get out and enjoy the greenways at your pace. That's the great thing about greenways - there are endless opportunities to enjoy them.

Sign up your dog for prizes as well (please scoop their poop).

**LOOP THE LOOP**  
 Loop the Loop is a fun way to track the distance of your walk, run, or bike ride. Log your miles to win great prizes!
